Linear

TruGroove suspended,  
surface, and wall micro

**The TruGroove  
family is growing...**

# by shrinking...

Already available in recessed and now in suspended, surface, and wall, the TruGroove micro family provides clean lines of powerful illumination from very small housings with 1.75" apertures.

# Enabling endless possibilities

- Declutter your ceiling without sacrificing performance
- Control glare with MesoOptic lens or louver options
- Achieve excellent color rendering with AccuRender CRI90 as standard
- Experience flexibility in optic configuration, distribution, and mounting type for various applications
- Create custom patterns or continuous runs with ease
- Enjoy numerous color options in both housings and louvers

# Offering 20+ optical distributions\*
